i hope this makes sense bc i rewrote it To Santa Claus,

My name is Kevin, and I live in Mississauga, Ontario.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy

to receive a interactive storybook projector. And if it's not too much to ask, I would love a Surprise Toy Bath Bombs as well.

Thank you so much, Santa!

Warm regards,

Kevin!
