

my mom said i had to put the date so here u go 2024-12-06..

santa hiiii its Jesse i finally remembered to send this letter..

not tryna bribe u but heated blanket with remote, ElectroCubes Nightlight Building Set..

like hope ur having a good day bye.

so basically heres the thing Hello Santa,

My name is Jesse, and I come from Burnaby, British Columbia.

This year, I've tried to spread kindness and be the best I can be. For Christmas, I would

be delighted to unwrap a heated blanket with remote. And if it's possible, I'd also really appreciate a ElectroCubes Nightlight Building Set.

Thanks for making Christmas magical!

With gratitude,

Jesse...
