

hola santa (idk if u speak spanish but anyway) its Sarah from Calgary...

have a magical christmas santa.

my handwriting sucks so im typing this To Santa Claus,

My name is Sarah, and I live in Calgary, Alberta.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy

to receive a portable karaoke microphone. And if it's not too much to ask, I would love a Pom Pom Beanie with LED Light as well.

Thank you so much, Santa!

Warm regards,

Sarah!?
