

look im just gonna say it i want Apple Watch, toy car!

happy 2024-11-03 or whatever time is fake...

alright im out cya.

long story short heres my whole deal Dear Santa Claus,

Hello! My name is Roger, and I live in Vancouver, British Columbia.

I've been very kind and helpful this year. For Christmas, I would really like a Apple Watch.

It would also make me so happy to have a toy car if you can manage it.

Thank you so much, Santa!

Yours truly,

Roger!!

like omg santa guess who its Roger writing from Vancouver...
