

my mom said i had to put the date so here u go 2024-11-20!?

gtg now my hands are cold bye!

hi santa James here and im literally freezing in Fredericton!!

sooo ok my brain is mush but i wrote this Dear Santa Claus,

Hello! My name is James, and I live in Fredericton, New Brunswick.

I've been very kind and helpful this year. For Christmas, I would really like a video game.

It would also make me so happy to have a mini waffle maker if you can manage it.

Thank you so much, Santa!

Yours truly,

James!

like before i forget can i pls get video game, mini waffle maker!
