

hope ur having a good day bye!!

santa hiiii its Amber i finally remembered to send this letter.

not saying ur obligated but customized photo puzzle, toy car would be epic!!

long story short heres my whole deal Dear Santa Claus,

Hello! My name is Amber, and I live in Lethbridge, Alberta.

I've been very kind and helpful this year. For Christmas, I would really like a customized photo puzzle.

It would also make me so happy to have a toy car if you can manage it.

Thank you so much, Santa!

Yours truly,

Amber...

wow 2024-12-10 already this year was wild.
