

my handwriting sucks so im typing this To Santa Claus,

My name is Rebecca, and I live in Summerside, Prince Edward Island.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy

to receive a interactive storybook projector. And if it's not too much to ask, I would love a mini espresso maker as well.

Thank you so much, Santa!

Warm regards,

Rebecca...
