

heres the main thing to read Dear Santa Claus,

Hello! My name is Charles, and I live in Edmonton, Alberta.

I've been very kind and helpful this year. For Christmas, I would really like a solar-powered phone charger.

It would also make me so happy to have a doll if you can manage it.

Thank you so much, Santa!

Yours truly,

Charles!

oh and yeah i almost forgot i want solar-powered phone charger, doll..

hola santa (idk if u speak spanish but anyway) its Charles from Edmonton..

ok thats enough typing bye santa!

apparently its 2024-11-17 my brain cannot handle this..
