hi santa Christopher here and im literally freezing in Calgary!

someone told me its 2024-11-29 but idk if thats true.

my handwriting sucks so im typing this To Santa Claus,

My name is Christopher, and I live in Calgary, Alberta.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy

to receive a virtual reality headset. And if it's not too much to ask, I would love a Amazon Fire HD 10 Kids Pro as well.

Thank you so much, Santa!

Warm regards,

Christopher...
