

my mom says dinner is ready bye!!

santa hiii its Samantha i finally remembered to send this letter!?

ngl apparently its 2024-12-23 my brain cannot handle this!?

so basically heres the thing To Santa Claus,

My name is Samantha, and I live in Rankin Inlet, Nunavut.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy

to receive a electric scooter. And if it's not too much to ask, I would love a desktop bonsai tree kit as well.

Thank you so much, Santa!

Warm regards,

Samantha.

i know i asked for a lot but electric scooter, desktop bonsai tree kit would be perfect!!
