

im done writing bye..

before i forget can i pls get doll, mechanical keyboard.

my handwriting sucks so im typing this Santa, my main man!

Nathaniel here, chillin' in Laval, Quebec. I've been keeping it real and staying good.

I'm dreaming of unwrapping a doll on Christmas morning. And if you're feeling generous, a mechanical keyboard would be the cherry on top!

You're the GOAT, Santa!
Nathaniel...

ok so yeah 2024-11-02 cool...

hi santa Nathaniel here and im literally freezing in Laval!
