

ok so yeah 2024-12-01 cool...

heres the main thing to read Dear Santa Claus,

Hello! My name is Alyssa, and I live in Gatineau, Quebec.

I've been very kind and helpful this year. For Christmas, I would really like a Apple iPad (10th Generation).

It would also make me so happy to have a X-Shot Excel Reflex 6 Blaster if you can manage it.

Thank you so much, Santa!

Yours truly,

Alyssa..
