

my mom says dinner is ready bye!?

dear santa sooo um hey its Tara idk how to start this..

my mom said i had to put the date so here u go 2024-11-26!?

before i forget can i pls get desktop bonsai tree kit, Pom Pom Beanie with LED Light.

idk man alright buckle up heres my letter Santa, my main man!

Tara here, chillin' in Montreal, Quebec. I've been keeping it real and staying good. I'm dreaming of unwrapping a desktop bonsai tree kit on Christmas morning. And if you're feeling generous, a Pom Pom Beanie with LED Light would be the cherry on top!

You're the GOAT, Santa!
Tara!
