

also if ur feeling nice this year i'd love solar-powered phone charger, 3D printing pen.

long story short heres my whole deal Hey Santa, what's good?

It's your buddy Jeremy from Lethbridge, Alberta. I've been trying to keep my cool all year.

I'm really hoping to score a solar-powered phone charger this Christmas. And if you've got any magic left, a 3D printing pen would be sick!

Keep sleighing it, Santa!
