honestly so basically heres the thing To Santa Claus,

My name is Scott, and I live in Hay River, Northwest Territories.  
This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy to receive a book. And if it's not too much to ask, I would love a retro instant camera as well.

Thank you so much, Santa!  
Warm regards,  
Scott!!
