

say hi to the reindeer bye!

hi santa Angela here and im literally freezing in Vancouver!!

fr anyway i just wanted to say Dear S-Claus,

It's your pal Angela from Vancouver, British Columbia. I've been working on my nice game all year.

I'm really hoping for a color-changing smart light bulb this Christmas. And hey, if you're in a giving mood, a LEGO Star Wars Set would be awesome too!

Thanks for being you!
Angela...

i know i asked for a lot but color-changing smart light bulb, LEGO Star Wars Set would be perfect!

happy 2024-11-28 or whatever time is fake!?
