

hi santa Larry here and im literally freezing in Dawson City!?

i know i asked for a lot but Live Christmas Tree (Norfolk Island Pine), retro instant camera would be perfect..

alright im out cya..

idk man alright buckle up heres my letter Santa, my main man!

Larry here, chillin' in Dawson City, Yukon. I've been keeping it real and staying good.

I'm dreaming of unwrapping a Live Christmas Tree (Norfolk Island Pine) on Christmas morning. And if you're feeling generous, a retro instant camera would be the cherry on top!

You're the GOAT, Santa!
Larry!

ok so yeah 2024-11-05 cool...
