

BRUH ok santa thats it bye stay warm!

look im just gonna say it i want solar-powered phone charger, retro instant camera!?

idk man santa hiiii its Gina i finally remembered to send this letter!

wow 2024-11-17 already this year was wild!?

if this sounds chaotic sorry but Hey Santa, what's good?

It's your buddy Gina from Fredericton, New Brunswick. I've been trying to keep my cool all year.

I'm really hoping to score a solar-powered phone charger this Christmas. And if you've got any magic left, a retro instant camera would be sick!

Keep sleighing it, Santa!

Gina!?
