

hope this letter sends bye..

pls ignore my handwriting but i want virtual reality headset, art supplies.

yo santa what's up its Cathy reporting live from Rankin Inlet, Nunavut.

wow 2024-12-19 already this year was wild..

if this sounds chaotic sorry but Santa, my main man!

Cathy here, chillin' in Rankin Inlet, Nunavut. I've been keeping it real and staying good.

I'm dreaming of unwrapping a virtual reality headset on Christmas morning. And if you're feeling generous, a art supplies would be the cherry on top!

You're the GOAT, Santa!

Cathy...
