

ok thats enough typing bye santa!?

idk man santa hiii its Joshua i finally remembered to send this letter..

anyway i just wanted to say Dear Santa Claus,

Joshua here from Fredericton, New Brunswick. I've been working hard on being good this year.

I'm really excited about the possibility of getting a smart home assistant. And if it's not too much to ask, a programmable LED message board would be incredible!

Thanks for spreading joy!
Joshua..

so about gifts maybe smart home assistant, programmable LED message board!

happy 2024-11-09 or whatever time is fake..
