

uh hola santa (idk if u speak spanish but anyway) its Christopher from Brampton!?

not saying ur obligated but desktop bonsai tree kit, bicycle would be epic!

alright buckle up heres my letter Santa, my main man!

Christopher here, chillin' in Brampton, Ontario. I've been keeping it real and staying good.

I'm dreaming of unwrapping a desktop bonsai tree kit on Christmas morning. And if you're feeling generous, a bicycle would be the cherry on top!

You're the GOAT, Santa!

Christopher!!

uh have a magical christmas santa!!

apparently its 2024-11-28 my brain cannot handle this.
