

not tryna bribe u but Apple iPad (10th Generation), ElectroCubes Nightlight Building Set...

happy 2024-12-10 or whatever time is fake...

my handwriting sucks so im typing this Dear Santa Claus,

William here from Brampton, Ontario. I've been working hard on being good this year.

I'm really excited about the possibility of getting a Apple iPad (10th Generation). And if it's not too much to ask, a ElectroCubes Nightlight Building Set would be incredible!

Thanks for spreading joy!
William!!

santa hiiii its William i finally remembered to send this letter!

have a magical christmas santa!?
