Hello! My name is Debra, and I live in Toronto, Ontario.

I've been very kind and helpful this year. For Christmas, I would really like a Harry Potter Crookshanks Plush.

It would also make me so happy to have a Temporary Tattoo Markers Kit if you can manage it.

Thank you so much, Santa!

Yours truly,

Debra!!

id cry happy tears if i got Harry Potter Crookshanks Plush, Temporary Tattoo Markers Kit!!
