

not saying ur obligated but solar-powered phone charger, mechanical keyboard would be epic!!

anyway i just wanted to say Dear Santa Claus,

Travis here from Sydney, Nova Scotia. I've been working hard on being good this year.

I'm really excited about the possibility of getting a solar-powered phone charger. And if it's not too much to ask, a mechanical keyboard would be incredible!

Thanks for spreading joy!

Travis..

hi santa its Travis and yes im STILL in Sydney not the north pole!

hope ur having a good day bye!!

ngl ok so yeah 2024-12-10 cool..
