

i hope this makes sense bc i rewrote it To Santa Claus,

My name is Rebecca, and I live in Watson Lake, Yukon.

This year, I've worked really hard to stay on the 'nice' list. For Christmas, I would be so happy

to receive a Rainbow Loom Charm Bracelet Kit. And if it's not too much to ask, I would love a Apple Watch as well.

Thank you so much, Santa!

Warm regards,

Rebecca...
